List of Tables	ii
List of Figures	iii
Chapter 1: Purpose and Need.....	1
Introduction	1
Project Area	2
Public Involvement.....	10
Treaty Rights	13
Issues	14
Decisions to be Made	17
Preview of Remaining Chapters.....	17
Chapter 2: Alternatives.....	21
Range of Alternatives.....	21
Management Requirements and Project Design Elements.....	35
Monitoring and Evaluation	36
Comparison of Alternatives.....	37
Chapter 3: Environmental Consequences	45
Recreational Opportunity	45
Wildlife Habitat.....	64
Soils	92
Hydrology.....	94
Aquatics and Fish Habitat.....	98
Botanical	104
Noxious Weeds.....	106
Cultural Resources	110
Landscape Characteristics.....	110
Compliance and Enforcement.....	113
Maintenance and Administration.....	115
Compliance with Other Laws, Regulations, and Policies	116
Chapter 4: Consultation and Coordination.....	125
Scoping and 30-day Comment Period	125

Tribes.....	125
Government.....	126
Organizations.....	127
Individuals.....	127
Interdisciplinary Team.....	130
Bibliography	131
Appendix.....	139
Appendix A - Maps.....	141
Appendix B – Best Management Practices	143
Appendix C – Road and Trail Analysis.....	149
Appendix D – Response to Comments	163

List of Tables

Chapter 1

Table 1-1: Public Participation	10
---------------------------------------	----

Chapter 2

Table 2-1: Alternative 1 – Designated OHV use	22
Table 2-2: Alternative 2 – Designated OHV use	23
Table 2-3: Alternative 3 – Designated OHV use	26
Table 2-4: Alternative 4 – Designated OHV use	28
Table 2-5: Alternative 5 – Designated OHV use	31
Table 2-6. Comparison Response to Purpose and Need by Alternative:.....	37
Table 2-7. Comparison of Effects to Resources by Alternative	39

Chapter 3

Table R-1: Miles of designated OHV routes and areas within the West End OHV Project.....	51
Table R-2: Non-Motorized Zone Comparisons.....	60
Table W-01. A comparison of HEI for Rocky Mountain elk habitat	65
Table W-02. Road Proximity Analysis	68
Table W-03. Miles of designated trails and new trails lying within American marten habitat.....	74
Table W-04. Federally ESA listed and Region 6 Sensitive Species	75
Table W-05. Miles of designated trails and new trails lying within wolverine habitat.....	77

Table W-06. Species of Interest in the West End OHV Analysis Area	86
Table S-1. Summary Comparison of Soil Effects by Alternative	93
Table S-2 Cumulative Area in Trail System by Alternative.....	94
Table H-1. Estimated soil erosion (detachment) attributable to OHVs	95
Table H-2. Estimated soil from OHV routes in RHCAs	96
Table H-3. Road-stream crossings available to OHVs by Alternative.....	96
Table F-1. Alternative Comparison of Effects for Aquatic and Fish Habitat.....	99
Table F-2. Federally ESA listed and Regional 6 Sensitive Aquatic Species	102
Table B-01. Federally ESA listed and Regional 6 Sensitive Botanical Species	104
Table N-01. Disturbance and Noxious Weed Potential Spread by Alternative	107
Table N-2. Disturbance and Noxious Weed Potential Spread by Alternative	110
Table M-1: Annual Maintenance Cost for Designated OHV Trails	116
Table C-1. 303 (d) List for West End OHV streams in Lower John Day Basin	118
Table C-2. 303 (d) List for West End OHV streams in North Fork John Day Basin	118

List of Figures

Chapter 1

Figure 1-1: Location of the West-End OHV Project Area	3
---	---

Chapter 2

Figure 1: Alternative 2 - Proposed designated trail locations.....	25
Figure 2: Alternative 3 - Proposed designated OHV trail locations	27
Figure 3 – Alternative 4 – Proposed designated trails.....	30
Figure 4: Alternative 5 – Proposed designated trails.....	32

Chapter 3

Figure 1: Non-motorized influenced zones in Alternative 1	54
Figure 2: Non-Motorized Zone for Alternative 2	55
Figure 3: Inventoried Roadless Areas and A1 Management Areas	56
Figure 4: Non-Motorized Zone for Alternative 3	57
Figure 5: Non-Motorized Zones for Alternative 4	58
Figure 6: Non-Motorized Zone for Alternative 5	59
